AUTOMATED CASE MANAGEMENT SYSTEM

PUBLIC ACCESS INQUIRY GUIDE

OVERVIEW: The Automated Case Management System (ACMS) is a case management and docketing system utilized by the civil courts within the state of New Jersey. The ACMS Public Access application allows inquiry-only access to docket information for civil actions filed in Law Division Civil Part and Special Civil Part, Chancery and General Equity courts.

Enter the number that appears under the **SYSTEM** column that corresponds with **CIVIL(ACMS)** under column labeled **REMARKS / DESCRIPTION,** Press **ENTER.** You can also press the corresponding PF key for that number**.**

ARCHIVAL MANAGEMENT INTEGRATED SYSTEM (AMIS)

OVERVIEW: Each month all cases that meet archive criteria will be removed from the ACMS database and copied to the archive database. The case must have a disposition code of "closed" and have been closed for at least 18 months. Any inactive, reinstated, and active cases are not archived. Cases that had a document filed within the last six months will not be archived. Cases where there is a venue judgment recorded (open or closed) on ACMS will not be archived.

AMIS may be accessed from the **ACMS INQUIRY MENU.**

Press **PF13 ARCHIVED CASE INQUIRY MENU (shift + PF1)** to begin**.**
