Subject: [External]CIVIL ARBITRATION -- PROPOSAL TO REQUIRE SUBMISSION OF ARBITRATION STATEMENTS
Date: Friday, October 7, 2022 1:09:15 PM

I am an Arbitrator.

By zoom-

I think 3/5 days is fine by if by zoom as a recommendation not a requirement. No sanctions if parties fails to submit statement as long as they have statement on the day of the Arbitration.

In person-

Same day when in person.

(The volume of statements received by the Arb office will require too many hours and space for storage.)
