<sup>1</sup> Both choices as to weight are to be used when a second degree offense for distribution, manufacturing, or possession with intent to distribute, of CDS-Bath Salts is charged under N.J.S.A. 2C:35-5.3a.b.. If only a third degree offense is charged under N.J.S.A. 2C:35-5.3a.c., then the verdict sheet should simply indicate whether the jury finds defendant guilty of distribution, manufacturing, or possession with intent to distribute, of CDS-Bath Salts. The same holds true for unlawful possession of CDS-Bath Salts under N.J.S.A. 2C:35-10.3a. Both choices are to be used when a third degree offense for unlawful possession of CDS-Bath Salts is charged under N.J.S.A. 2C:35-10.3a.b.; but if only a fourth degree offense is charged under N.J.S.A. 2C:35-10.3a.c., then the verdict sheet should simply indicate whether the jury finds defendant guilty of possession of CDS-Bath Salts.
