POSITION DESCRIPTION
The New Jersey Judiciary is seeking individuals to perform administration of middleware products and technologies in support of our statewide multi-platform enterprise computing system. The environment includes, but is not limited to, WebSphere Application Server, WebSphere MQSeries, IBM HTTP Server, PEGA, WebSphere Message Broker, Lotus Expeditor, DB2 Enterprise, DB2 Everyplace, WebSphere Data Power, WebSphere Portal Server, and Tivoli/Omnibus systems monitoring software. Duties include the construction and support of middleware infrastructures for high-availability applications; performance and tuning of above mentioned products; troubleshooting and resolution of complex problems within the infrastructure; working closely with vendors, internal groups and outside agencies to provide technical solutions.

MINIMUM REQUIREMENTS
EDUCATION: Graduation from an accredited college or university with a Bachelor’s Degree.

EDUCATION NOTE: Foreign degrees must be evaluated by a recognized evaluation service. (See www.naces.org/members.html)

EXPERIENCE: Two (2) years of professional experience in analyzing, designing, programming, troubleshooting, resolving technical problems and/or installing computer systems applications in a mainframe, local area network, or personal computer environment; planning, acquiring, installing and maintaining telecommunications facilities and services, wide area networks, or local area networks; generating and maintaining system software; database administration; or systems security.

SUBSTITUTION: A Bachelor’s or Master’s Degree in Computer Science may be substituted for the required education and one (1) year of experience. Three (3) years of post secondary education in Computer Science may be substituted for the required education. An Associate’s Degree in Computer Science and one (1) year of additional experience may be substituted for the required education. Applicants who do not possess the required education may substitute additional IT technical and/or professional experience on a year for year basis. Completion of a relevant course of training in Information Technology may be substituted for up to one (1) year of required experience.

NOTE: Experience with database administration, WebFocus, Adobe Form Server, TAM/WebSeal, AD/ADLDS, Lotus Web Content Management, UNIX scripting, Java and wireless applications is helpful. Ability to communicate effectively, in written and oral form, is preferred. Weekend and on-call support may be required.

DRIVER'S LICENSE: Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform essential duties of the position.

AUTHORIZATION TO WORK: US citizenship is not required. Selected candidates must be authorized to work in the US according to Department of Homeland Security, US Citizenship and Immigration Services regulations.

SPECIAL NOTE: Newly hired employees must agree to a thorough background check that will include fingerprinting. All data received will be kept in strict confidence except to inform the individual of the findings and what action will be taken as a result of this information.

RESIDENCY LAW: Pursuant to N.J.S.A. 52:14-7 (L. 2011, Chapter 70), also known as the “New Jersey First Act,” all persons newly hired by the Judiciary must establish, and then maintain, principal residence in the State of New Jersey. Terms and conditions of employment will be governed by the applicable collective bargaining agreement.

INFORMATION FOR APPLICANTS
Applicants should submit a cover letter and current resume complete with announcement number, both day and evening telephone numbers and e-mail address by April 15, 2015 to: Recruitment.Mailbox@Judiciary.state.nj.us. Please include Announcement #15-52-15 in the subject line of your email submission. If you are responding to more than one Notice of Vacancy, please submit a copy of your resume/cover letter for each posting.

*For newly hired individuals, the starting salary will normally be at the minimum of the salary range. For current Judiciary employees, salary upon promotion or advancement will be an increase of 5% of base salary or the minimum salary of the band/level, whichever is greater.

**Maximum Salary A is for Judiciary employees hired prior to June 3, 2014 and Maximum Salary B is for newly hired individuals or Judiciary employees hired on or after June 3, 2014.
