CONTINUING LEGAL EDUCATION -- PROPOSED AMENDMENTS TO RULE 1:42 AND CLE REGULATIONS TO REQUIRE CREDITS IN DIVERSITY, INCLUSION, AND ELIMINATION OF BIAS - PUBLICATION FOR COMMENT

The Supreme Court invites written comments on a proposal to amend Rule 1:42-1 (“Continuing Legal Education Required”) and CLE regulations 103:1 and 201:1 to require diversity, inclusion, and elimination of bias training for attorneys licensed in New Jersey. The proposed amendments are attached.

For some time, the Court has been considering CLE requirements on diversity, inclusion, and elimination of bias, having recently worked with the Board on Continuing Legal Education to review proposals by the Supreme Court Committee on Minority Concerns (n/k/a the Committee on Diversity, Inclusion, and Community Engagement) and the Supreme Court Committee on Women in the Courts. Those earlier proposals recommended amending Rule 1:42-1 and related CLE regulations to require diversity, inclusion, and elimination of bias training for attorneys.

While those proposals still were pending, the Court on June 5, 2020 issued a public statement recommitting the Judiciary to the elimination of barriers to equal justice. Building on that statement, the Court on July 16, 2020 issued an Action Plan for Equal Justice, which outlines a series of initiatives that the Judiciary will seek to accomplish within a year, including the following:

4. Requiring Anti-Bias Continuing Legal Education. The Supreme Court will revisit, refine, and adopt an “elimination of bias” requirement as part of statewide mandatory Continuing Legal Education for judges and attorneys.

Since issuance of the Court’s statement, the New Jersey State Bar Association (NJSBA) and other stakeholders have expressed support for the addition of a CLE requirement in the area of diversity, inclusion, and elimination of bias. At the same time, the Judiciary has developed proposals for the implementation and administration of such new CLE requirements, taking into consideration the status of attorneys licensed in New Jersey who are approaching the end of their two-year reporting cycle, attorneys who are midway through their cycle, and attorneys who also are licensed in additional jurisdictions.

Proposal – Diversity, Inclusion, and Elimination of Bias Credits as Part of
Ethics/Professional CLE Requirements

The proposal is to increase the total credit hours required for professionalism and ethics from four to five credits (of the overall total requirement of 24 credits per two-year reporting cycle) and to require that at least two credit hours of those five credit hours required for professionalism and ethics include the completion of qualifying coursework on diversity, inclusion, and elimination of bias.

The proposal is for the amendments to become effective January 1, 2021. With that effective date, attorneys in the current two-year CLE reporting cycle that ends December 31, 2020 would not be required to report compliance with the revised requirements (five professionalism and ethics credits rather than four, with two of those five hours on diversity, inclusion and elimination of bias). The requirements would apply to attorneys in the next two-year CLE reporting cycle that ends on December 31, 2021 (and to attorneys in all subsequent two-year reporting cycles).

Please send any comments on the proposed rule amendments in writing by October 12, 2020 to:
