Subject: [External]Comments on Proposed Amendments to Rule 1:38-3 – Records of Landlord/Tenant Matters Not Resulting in Judgment for Possession

Good day,

I strongly support the notion that cases that did not result in a judgement of possession should be erased from the public records. I have been a victim of predatory trials where my landlord tried to force me out of my home 4 times but he lost as I successfully defended myself at trial. However if you look up my name you will see 4 cases against me despite the fact I won those cases as the defendant. I don't think that is fair.
